*Work is tracked in hours spent.*

*Total hours per week should be 12-16.*

*Tasks align with the project plan*

*Tasks will appear and fall off with each successive week*

*Fill this sheet out each week - keep for your records and submit a copy to your TA*

*If you are spending more than about 10 minutes per week filling this out, you are probably overthinking it*

*It is intended both as an accountability tool and as validation for your estimates*
